GENERAL INFORMATION

SEND ALL ADVERTISEMENTS TO:
DYNAPUBS ENTERPRISES
15800 RT. 84 NORTH
EAST MOLINE, IL. 61244

State what size ad it is and enclose payment with the ad. We will run it in the earliest available issue unless instructed otherwise. Our ad deadlines are Friday of every week.

With our weekly publication, your ad can be printed as soon as YOU want it to be. The ad you send us will come out soon no matter when you submit it to us. So send it in as soon as you prepare it.

PREPARING YOUR AD: Black ink on white paper will produce your best results. Worn out typewriter ribbons will not reproduce well. Please take note of "SIZE OF ORIGINAL AD" explanation in each ad category. Follow these and you should have no trouble preparing an attractive ad that will bring you excellent response.

WHEN WE RECEIVE YOUR AD, we will send you a postcard confirmation that we did receive it, and it will tell you what issue your ad will run in and when you should expect to begin receiving orders.

We will make every effort to deserve your ad, and will be glad to answer questions for you. We also appreciate any comments, suggestions, or criticism.

Let **THE BUYER'S GUIDE** . . . the Bible of all serious comic collectors . . . sell for you as it sells for the many advertisers who come back issue after issue. **OUR LIST OF SATISFIED ADVERTISERS IS ENDLESS!** . . . Thank you!

IF, FOR SOME REASON, YOU NEED TO CONTACT DYNAPUBS IMMEDIATELY, PHONE ALAN L. LIGHT AT THIS NUMBER . . .

VINTAGE FUNNIES

with issue number 100 VINTAGE FUNNIES ceased publication (called GOLDEN FUNNIES issues 1 thru 15). A newspaper strip collector's delight, it reprinted in tabloid size format continuous runs of such strips as Tracy, Buck, Superman, Batman, Terry, and an occasional Little Nemo. Also featured are Mickey Mouse, Krazy Kat, Captain Easy, etc. ...all the gold from the 30's and 40's with a little classic stuff from the teens. ORDERING INFORMATION (PLEASE READ) - MINIMUM ORDER $20.00 * Please enclose payment with all orders. Prompt refund on sold items. Money-Orders or cash preferred, checks may delay orders in some cases. ALTERNATE CHOICES GREATLY APPRECIATED (in fact, I give preference to orders listing second choices, since it saves me much work and time). Enclose a stamped, self-addressed envelope, for refunds, etc. ALL PRICES IN U.S. DOLLARS. Many duplicates, so list condition. All orders well packed to withstand the rigors of the mails. If you're short of money, I'll be glad to hold stuff for you. My Guarantee: that everything is as described. Anything that is not should be returned Promptly, in condition sent, for refund (or exchange, or credit, as desired). Phone calls, if really necessary, 204-475-5128 (home) 7 to 9 PM (CST), or week-ends. This list is sent out 2 or 3 times yearly to everyone on my mailing list (an order gets you on it). If you don't get a copy for long time, you forgot to order, so, send a buck (refundable) for a new, Air Mail copy. (Like Old Man River, I just keep rolling along, sending out these catalogs year after year, to friends, old and new.)

POSTAGE - U.S. AND CANADA, add $1.00 to all orders, sent via regular mail. (If you desire insurance, add $2.00 for parcels to sent Parcel Post. I'm not responsible for uninsured parcels). AIR MAIL is faster, but VERY expensive, so if you want it, be sure to add sufficient postage. Air Mail can't be insured, but it can be sent Registered (add $2.00 extra). OVERSEAS ORDERS - Add $3.00 to smallest order, more to heavier parcels (besides cost, there are a lot of extra forms to fill out, quite time-consuming). No insurance available. AIR MAIL REALLY EXPENSIVE, but if that's what you want, I can send that way, too. Cost at least double regular post. Note: mails are not speedy these days (although you might get lucky), so allow 2-8 weeks on deliveries, a little more in Europe. Don't panic if slow, as everything seems to arrive, sooner or later. (I regret postage rates up 3 times in last 12 months).*

CONDITION - Everything has been individually graded prior to listing, and all items are very good (VG) or better, unless otherwise indicated. SYMBOLS (most obvious): (M) mint, (N.M.) near mint, (Fi) Fine, (G) good, Fa -fair, (P) poor, (C) coverless, (PC) pages out, (PC) panel cut out, (O/W) otherwise, REP - reprints, CAN- Canadian, S&K Simon & Kirby, NFC no front cover, 1-50 (50 copies available) *

COLLECTORS' PRESS

is the comic art fan's publisher. Everyone of us has fantasies of our favorite artists creating new and unrestrained works of art just for us. COLLECTORS' PRESS is the culmination of those fantasies. No expense has been spared to make these Portfolios the finest representation of the comic art form. We are proud of our Portfolios and hope you will enjoy them, too.

Richard Pryor, Publisher

"The concept of this undertaking was, from the beginning, an effort to condense in ten plates the summary of the hundreds of story situations that made up THE SPIRIT'S adventures during those twelve years he appeared uninterruptedly in major Sunday newspapers. In that respect this portfolio is for THE SPIRIT fan. For in preparing them I felt I was creating a sort of elaborate gift of memory — a nostalgic thank you to old friends."

Will Eisner

July, 1977

***** THE BOOK SAIL'S BLUE-CHIP INVESTMENT PROGRAM FOR SERIOUS COLLECTORS *****

The Book Sail is pleased to announce its Blue-Chip Investment Program under which your investment in carefully selected comics and related items is guaranteed. This program was designed to produce short-term gains on traditionally long-term investments, as the items described for sale below are of a very rare (and for some unique) nature. To our knowledge no other dealer has made this Customer Protection Offer on special collector pieces. Here's how the program works:

The Book Sail guarantees, in writing, to buy back any Blue-Chip three (3) years from the date of purchase for the purchase price plus a minimum of 10% appreciation. Although in many cases the agreed-upon repurchase price may be in many instances for a higher rate of return, the Program will produce a guaranteed minimum return on any Blue-Chip investment. The conditions of this program are as follows:

1) Any Blue-Chip item must remain in original purchaser's possession to be eligible for the buy-back guarantee.
2) The condition and grade of any item must remain exactly as it was sold, and no repairs or alterations made be made during possession.
3) This investment guarantee applies only to items offered for sale by the Book Sail, and does not apply to any items of a similar nature (if existing) offered by other dealers.

Prices are subject to change after January 1, 1978. If you have any questions about the Program, please write The Book Sail - Blue Chip Investment Program, 1186 N. Tustin, Orange CA 92667.

Blue-Chip lists will be issued at six-month intervals. This is Blue-Chip Listing #1.

1) The World's Most Expensive Comic?

We are pleased to offer for public sale the cornerstone of a quality Golden Age collection, Motion Picture Funnies Weekly #1. Few Have been privileged to gaze at the contents of this legendary rarity containing, among other stories, the origin and first appearance of Sub-Mariner as conceived by Mickey Spillaine and drawn by Bill Everett. Some Timely collectors may consider this book essential as Sub-Mariner became a foundation of that group, and it is a premium Blue-Chip investment due to its true, not manufactured, rarity. Of the five known copies, two are in as good or better condition. It is unlikely that either will be publicly offered in the next decade, and doubtful that a fresh undiscovered book will be unearthed. MPFW #1 is scarcer than the More Fun #52 and the equally difficult Red Raven #1. Relatively speaking, Action #1, Whiz #2, Marvel Mystery #2 and Detective #27 are much more common and are more frequently offered. We confidently predict that few will be able to own this book in the 20th century. The condition of this Blue-Chip item is a strict very fine. $15,000

2) Captain America #1

A very fine copy with no major defects. Very minor spine wear with the top left edge rubbed slightly. The interior edges are in an early stage of browning, but there is no brittleness whatsoever. In addition, the top left portion of the cover has a very slight pencilled date. $1650

3) Red Raven #1

Next to the Motion Picture Funnies Weekly #1, Red Raven is the scarcest Timely character. Very fine-near mint with full cover gloss; a bright, clean and sound copy of this rare title. $2000

4) All-American #16

The origin and first appearance of the Green Lantern. A very nice copy, but with some defects: the spine is a little rough, and has been professionally repaired. A 1/4 by 1/2 inch piece is missing out of the bottom cover and the first two pages. There is also some black ink markings on the cover, and very slight browning with no brittleness. Still a nice sound book. $500

5) Daredevil Battles Hitler #1

The nicest, most crisp copy of this book that we have ever seen. The condition is near mint +, with near white pages. A clean, bright copy with full cover gloss. $600

6) Shock Illustrated #3

This is E.C.'s scarcest comic. A very fine tight copy, and necessarily rare, since only about 200 copies were bound and distributed. $1000

7) Green Lantern #1

Very minor edge wear, with a distributor's mark on the cover. A tight solid book with near-white pages. The condition is very fine- near mint. $280

8) All-Star #1

A nice copy with very slight spine wear, otherwise an almost perfect copy. The pages are in excellent condition, and are nearly white. Condition very fine +. $400

9) All-Star #3

Very fine to near mint, with full cover gloss and white pages. A solid copy. $650

10) Master #1

This book is very hard to obtain, especially in this condition, due to the size of the comic and the resultant difficulty in storage. It is in near mint condition, with full cover gloss and white pages. There are some small tears in a few interior pages, which have been professionally repaired. One of the finest copies we have seen. $550

11) More Fun #52, 53

These copies are sold as a set only. For particulars on these books, refer to p. 275 of the Overstreet price guide, as #52 is the copy reproduced in the guide. #52 is in very fine + condition, with some minor spine wear and a small piece out of the top of the cover. There are also some minor pencil marks on the cover; otherwise a clean copy with white pages, and full cover gloss. #53 is in near mint + condition with very minor spine wear and one small pencil mark on the cover, and a few pencil marks on the border of a few interior pages. A fully original copy, with full cover gloss and nearly white pages. An excellent two-volume appearance of the Spectre. $4000

12) New Fun #1

A very fine + copy with spine wear, which has been professionally repaired. $650

13) Detective #27

This copy is in a solid fine condition, with a professional repair at the bottom staple and a 1/2 inch tear in the edge of the cover. The interior is in excellent shape except for a pencilled phone number. $2750

14) Action #12

In near mint to mint condition, with full cover gloss and near white pages. This book contains what we believe to be the very first pictured advertisement of Batman. (We would appreciate any additional information on this matter). A scarce book in excellent condition. $500

15) G-8 and His Battle Aces (pulps)

The complete year (Jan. - Dec.) 1939, all but one in near mint to mint condition (that one in very fine to near mint condition). The great majority of these books are in a never opened, never read condition. Without doubt the finest condition pulps we have ever seen. Other pulps in a similar condition, in several titles, are also available from us. $750

16) The Mouse Trap

Walt Disney Studio's limited edition (500 copies) by the Ward Ritchie Press. This publication, "strictly for studio perusal", was not sold or distributed outside because of its ribald nature with a multitude of color drawings of female cheesecake nudes and country humor involving members of the staff and Walt Disney. This very rare item is rumored to have been suppressed after Disney's death. It is slightly worn with some pages trimmed. With a spiral spine in handsome quarter leather slipcase. It is possibly the rarest and certainly one of the most risqué pieces of Disneyana. $750

17) Snow White and the Seven Dwarfs

The complete story of the Walt Disney Snow White; first edition, Harper Bros. 1937. It is in a near mint condition with a very fine condition dust wrapper. The beautiful illustrations are for the most part done in a very brilliant color. This unique copy is of a great historical value, with 57 signatures from the Walt Disney studio, including the autographs of Walt Disney, Walt Kelly, Clarence (Donald Duck) Nash, and the animators, sequence directors, etc., who worked on the production of this book. The autographs are liberally sprinkled throughout the book, and are often located next to the signer's illustration, writing or other work. This item is of paramount importance to Disney historians as it indicates who was responsible for many of Snow White's classic scenes. The most important important Snow White (and Disney) material we have seen or handled. $1250

The Book Sail

18) Skull-Face and Others

An Arkham House publication by Robert E. Howard; first edition, 1946. The book is in fine condition, and the dust wrapper is in good condition, with a tear out of the bottom front (marring the author's name). A fine copy of a rare work by a popular author. $135

19) The Vortex Blaster

A paperbound edition (first edition) printed in 1960 by the Gnome Press; the author is Edward E. Smith. Enclosed with the book is a letter by Lloyd A. Eshbach, who was the manager for the press company which did the printing for the Gnome Press. He states in his letter (dated 5-27-77) "The paper bound copy of The Vortex Blaster ... is one of six copies which I personally bound up in this manner, using sheets from the original press run ... I have no idea where the other five copies my be. Some I gave away. Others may well have been destroyed. I have no remaining copies." The book is in fine condition, with very little wear visible anywhere. $185

20) A Hornbook for Witches

By Leah Bodine Drake, this is one of the rarest titles in the entire Arkham House series (printed in 1950). An outstanding rarity in fine condition with very little wear. $450

21) Peter Pan in Kensington Gardens

Probably the finest Rackham available today, due to its absolutely exceptional binding, with inlaid scenes from the story within gilt and inlaid borders on both covers. The binding is a blue morocco gilt, with uncut pages; #49 of 500 copies signed by Rackham (London, 1906). In a perfect mint condition, and of a beauty that renders written description incomplete. $2250

22) Hans Christian Andersen's Fairy Tales

In a fine leather binding with gilt inlay, it was part of an original issue of 500 copies signed by the illustrator, nine of which (this is #2) contained an original drawing by Rackham. In very fine + condition, with *the original retaining its brilliance.* $2500

23) Superman #1

In a very fine + condition, and a particularly fine investment due to the soon-to-be-released "Superman" two-part film. No major defects on this sound copy. $2000

24) Rackham Original

An original water-color drawing, reproduced in book form in The Land of Enchantment (London, 1907) in black and white opposite p. 140. Entitled "Held a cup to catch the venomous drops", it is reproduced below. Included is a copy (trade edition) of The Land of Enchantment. $2500

END OF BLUE-CHIP LIST #1

-The following comics are individually priced and graded. All comics are guaranteed; if you are unsatisfied, a prompt refund will be made providing the comic is returned within five (5) days of receipt.

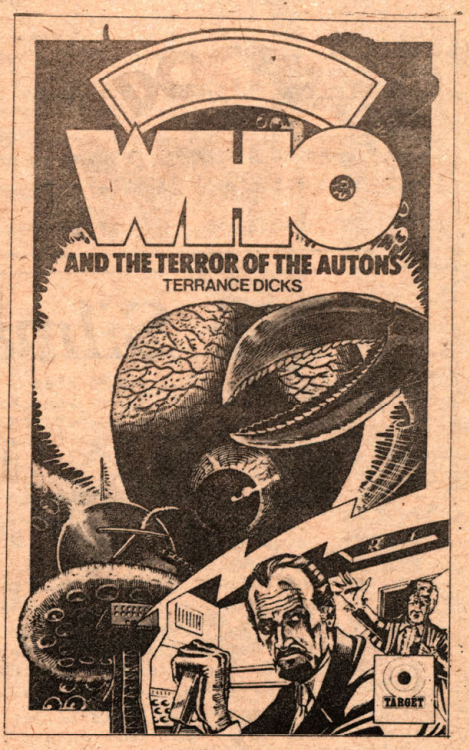
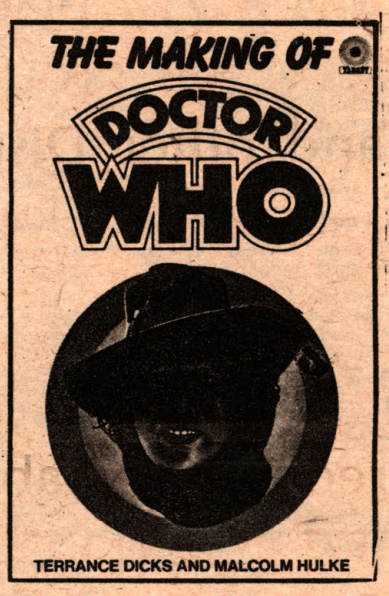
DOCTOR WHO

Meet DR. WHO - England's most popular TV character and one of the most engaging characters ever to emerge into science fiction. The Doctor is a member of the mysterious Time Lords and as such, is a master of both Time and Space. With friends and allies from Earth, he constantly is involved in one adventure after another. Traveling by using his Space-Time Machine, the TARDIS, the Doctor can visit any period of time, past or future, as well as planets throughout the universe. These novels are based on the long running (17 years and still going strong!) English TV series, of which a few adventures have happily made their way to the US on PBS stations. The novels are entertaining adventures, and have developed quite a following.

We stock all DR. WHO novels in depth - no need to send to England for these books - and provide quick, reliable service. We are Dr. Who fans ourselves, and thus get each new Dr. Who book as soon as published. Perhaps you've even seen our large Dr. Who display at conventions as we have been to several converting others to this unjustly ignored TV series.





The following are novelizations of various Dr. Who serials and are all highly recommended.

<u>THE MAKING OF DR. WHO</u> - detailed paperbound book giving history of the series as well as many photos from the show. It also gives a synopsis of each Dr. Who adventure in the order it appeared in the series - a must for following one adventure to another.....$2.50

<u>THE DR. WHO DINOSAUR BOOK</u> - a disappointing item. Regularly priced at $2.75, this is a dinosaur coloring book as told by Dr. Who. We offer copies for completists at.....$1

CARL BARKS
IS ALIVE AND WELL
IN "OLD CALIFORNIA"

I, Bill Cole, with the permission and assistance of Dan Lewonczyk, plan to revive the late "Vacation in Duckburg." Published in 1971, this groundbreaking effort saw two issues devoted to Carl Barks and other Disney material before it ceased publication due to the then undeveloped mystique surrounding the classic artwork of Carl Barks.

For some time now I've been driven with a strong urge to help in some way to fill this void. In recent months events have conspired to bring about just such an opportunity. At this time I've made up my mind that, with your help, this project can come about.

Therefore, prior to publication, I would like an idea of just how many people would be interested in subscribing to a quality publication of this nature. It is important that we hear from you now. Just drop a line indicating your interest and what you would like to see in "Vacation in Duckburg." Please send your reply and any comments to:

COMING IN FUTURE ISSUES	64

Throughout the world there are countless devotees of popular art in all its forms, a pastime that can regulate our daily lives and leave a lasting impression. Many of us become students of the media, our activities shaped by forces that reach us under the label of entertainment. Movies, plays, books, magazines, television, radio, records, comic books, newspaper strips, animation. If you share with us an interest in any of these and associated areas, we think you'll find *Fanfare* worth a look.

We don't guarantee you'll like every feature in every issue. We do guarantee a magazine that addresses itself to the whole range of entertainment arts with appeal to the avid buff, the historian, the special interest enthusiast, the casual reader. Such a format runs the risk of being called, perish forbid, the dreaded something-for-everyone hodgepodge. We'd rather class it under the general heading of Popular Culture, for want of a better term, where neighboring categories can be represented, sometimes for contrasting points of view.

Fanfare is not a magazine of media news, nostalgia or show biz gossip. Our territory is open-ended enough to include articles, essays, interviews and departments from the wildly popular to the obscurely esoteric. If we do things on the past, we'll also do things on the present. And don't be surprised if we take a look at some aspects of the future. Our main concern is that pop subjects be treated not as junk art suddenly granted pretentious and faddish recognition, but as topics deserving of our energies to produce and your time to read. Nothing will be dismissed as trivial because it serves only to entertain the widest possible audience, or ignored because it isn't popular enough. The article thought far-fetched or long overdue might be in this issue or could appear in the next.

Fanfare has evolved from the erstwhile *Graphic Story Magazine*, a format devoted primarily to comic books. See Fanfare Forum on page 58 for a stirring account of that metamorphosis. While continuing to cover the creators and creations of the comic book world, we've also opened the way for an almost unlimited amount of other material. Suggestions for features are not only welcomed, they're actively solicited. Writers are invited to submit proposals. The contents of this issue and coming attractions show what we're looking for, but, if your idea can extend and develop our depth of coverage, contact us about it.

That's what *Fanfare's* approach to the popular arts is all about, and that's what we hope you'll be enjoying, along with us, in issues to come.

INVESTOR/COLLECTORS INVESTOR/COLLECTORS INVESTOR/COLLECTORS

If you are systematically putting away books because you are convinced (as we are) of the future appreciation value of comics, then we should be working together.

Our vault of comics conservatively contains 300,000+ books and we are active buyers day in and day out. Of course we don't have every issue but have broad selections of D.C., Marvel, Golden Age, Gold Key, Dell, etc. Major and minor titles.

We have several programs for investor/collectors that will allow you access to our inventory and buying power. We want you to join with other investor/collectors who benefit regularly from our leverage. Write now or call for details.

VERY !!RARE!! BID ITEMS

Mr & Mrs - A Whitman "pre-comic" from 1922 of strip reprints (in color, not b&w). The format is 9½" X 9", with cardboard covers. Condition: it's complete & fairly solid. The inside pages are brittle & are cracked somewhat along the edges - the art is unaffected. The covers are a little dirty & there is a small tape stain on the front. The "spine" is split, but due to the book's unusual construction, it doesn't affect it. Min. Bid: $12.00

Famous Monsters # 6. VG+ condition except for a 1" spine split repaired with non-staining Magic tape. Min. Bid: $5.00

HAVE GUN --
WILL TRAVEL

One of the most popular westerns on t.v.
Storyline: Adventures of a suave gun-for-hire who works out of the Hotel Carlton, in the 1870's San Francisco. Paladin, a former Confederate cavalry officer, fights a never ending battle for law and justice. As a professional gunman, he hires his guns to people who are unable to protect themselves . . . from lumber camps to grape fields . . . from moonshiners to Chinese being threatened in a Tong War.

Paladin was marked by a black hat, black pants, black shirt and a calling card that bore the symbol of a white chess piece . . . the Knight. Students of history will recognize the name "Paladin" as the name given to the legendary twelve knights of Charlemagne, who were the paragons of chivalry, championing some heroic cause or objective. His discriminating tastes . . . Keats's poetry . . . Chateus Haut-Brion . . . Ming porcelain . competed with his gun for his affection.

The series ran from 14 September 1957 to 21 September 1960 was distinguished by an outstanding stable of intriguing scripts. In all, there were 225 episodes, of which only 156 a in syndication today (the full 225 are available in export). Each program ran 26 minutes, 30 seconds with 3 minutes and 30 seconds of commercials. All were shot on black and white 16mm Went into syndication Fall 1963, and export. Export sales tota 23 countries. Owner: CBS TV NETWORK.

Victor De Costa, a Rhode Island rodeo cowboy, claimed CBS stole his act complete with black cowboy outfit, chess symbol and even the cards that said HAVE GUN -- WILL TRAVEL. He won one court decision but CBS appealed and won a reversal in 1975 Judge pointed out in the reversal that De Costa never claimed the CBS t.v. show hurt his rodeo act until after the series wa off the air for a number of years.

There were a series of Dell comic books adapting the stor from the series with Alex Toth art. Also Fank C. Robertson wrote A MAN CALLED PALADIN in 1963 (based on the t.v. series).

CRAP MAN
Doc-People DON'T UNDERSTAND ME
DR. WHO PSYCHITRIST
HOW'S THAT?
AW-JUST BECAUSE I Like To Get Inside every TRASH CAN I See. See how it feels. TRY IT ON FOR SIZE. Like A New Suit. You. KNOW
SAY, Doc - You DON'T THINK I'M CRAZY, DO YOU?
?

CRAP MAN PRESENTS THE FIRST CENTERFOLDS ??

THEY JUST WERE NOT IN THE CENTER.FROM FEB.1941 thru NOV.1942,CORONET amazed AMERICA BY PLACING A DOUBLE-PAGED FULL COLOR NUDE IN THEIR MAGAZINE.THE BOTTOM HALF FOLDED UP INTO THE MAGAZINE AND THE NUDE PAGE WAS LIGHT CARDBOARD TYPE.TITS AND BUTTS ONLY--SIMILIAR TO THE CENTERFOLDS OF THE 50's & and EARLY 60's.JUST SMALLER AS THEY ARE DOUBLE PAGED CORONET SIZE.WITH THE DEC.1942 ISSUE,THE NUDES DISAPPEARED --PROBABLY PRESSURED BY RELIGIOUS GROUPS.THEY WERE--ahem--ENDING UP ON WALLS. IT ALSO MADE THOSE G.I'S REALIZE WHAT THEY WERE FIGHTING FOR.REMEMBER--YOU HEARD THIS FIRST FROM THE CRAP MAN-AMERICA'S FOREMOST TAIL AND CENTERFOLD AUTHORITY.IF ANYONE CAN PRODUCE EARLIER COLOR 2 or 3 PAGE CENTERFOLDS,PLEASE LET HIM KNOW.

FILM CLIPS

35mm film clip packets for sale; no rights implied. WHY COLLECT FILM CLIPS? Because they are economical. Film clips can easily be turned into slides by mounting them in single frame (half frame) 35mm slide mounts; frames cost pennies, clips cost pennies, so that by the time you're through, the slide costs you roughly 10¢, as opposed to up to $1.50 for a b&w still, $10 a poster, etc. All packets listed here are already made as grab bags; money refunded if not satisfied. POSTAGE: one to three packets: 15¢; more than three: 25¢. Count your clips! There's usually more than what's listed. TRADES: I'm interested in some 35mm film clips, 16mm trailers & TV spots, transparencies, scripts, etc, so please let me know.

CRUSADER COMMENTS

Hello and welcome to yet another installment of Crusader Comments. I have a bone to pick with you readers. So far I've gotten more mail raving about my "Thorne" strip than I have in answer to the survey about DOLLAR COMICS. Come on friends. Take a few moments and drop me a line!!! Here's a chance for fandom to help out the industry. I thank you all for your comments on "Thorne", but I'd really like to hear about DOLLAR COMICS. So for the 3rd time, here is what I'd like you to answer:

A. Do you personally buy Dollar Comics?
B. How many newsstands do you check for comics?
C. At how many of those newsstands are Dollar Comics available?
D. Have you found Dollar Comics in outlets which don't carry other comics? Where?
E. Comments?

Only with your help can we get a clear picture of how these books are moving and your likes and dislikes about them. Please take a moment and answer the above questions. Send your answers to the address at the end of this column. THANK YOU!

ITEM: Dick Giordano

I've been in touch with Dick Giordano lately and he tells me he is no longer working with Neal Adams. They parted very-VERY FRIENDLY! Dick has decided to go out on his own and his oppened his own studio called DIK-ART, INC. Dick is a very talented guy and I'm sure his new studio will be a huge success!

ITEM: NEW CON

I got a lot of mail asking me about this years New Con after the 3 column write up Bob and I did. Well if you'll look below you'll see all the info you should need. Last years con was one of the three best done that year. This year will be the same! As the ad states reserve your room now! Don't be left out! Unlike con's that sport 30 or 40 guests, we ask a few TOP PROS and let you get to know them. If you read the New Con reports you know what I mean. This year will be fantastic.

ITEM: The Ray

Next month will be the anniversary of The Ray. In September of 1940, in Smash Comics #14 The Ray was born. The art you see to the right was done by Steve Fritz for an article on this great hero in Comic Crusader #9. The Ray you see in the Freedom Fighters is nothing like the hero of the Golden Age. In fact I cringe every time I buy that comic...but for nostalgia I still do. DC has changed his costume and seems to forget the reason for the design of the original...IT WAS TO MAKE HIM LOOK LIKE A RAY OF LIGHT! That's why the sunburst collar, but instead they give him a lightning bolt that looks like it's blowing his crotch off. It's such a shame! For those of you who didn't get Comic Crusader #9 or buy Alan Light's beautiful reprint of the Ray and Black Condor stories, I'll retell The Ray's origin. Happy Terrill, cub reporter, was put on the hottest story assignment in months...Professor Styne's balloon ascent into the stratosphere. Keep in mind, that when this story was written, balloon flights brought man to the brink of space and much of what we learned about our upper atmosphere was learned in this dangerous manner. All was going well in the balloon, until a cosmic storm approached. Terrill noticed an outer air cock was open and went out on the catwalk around the balloon to close it. A wierd haze of cosmic light engulfed the balloon. Terrill grew rigid and his figure seemed to shrink as another rose out of him. A shaft of light shot up from where he once stood as Terrill and The Ray had been born! The art was by Lou Fine and it was beautiful! The Ray montage depicts some of The Ray's adventures. SEE YOU NEXT TIME!

BETTER THAN EVER!

CENTRAL NATIONAL BUREAU WSA NO. 328

STYX COMIC SERVICE HAS RETURNED!!

The service has been reorganized so it is more ECONOMICAL and EFFICIENT to the customer. The new system is as follows:

1.) ALL BOOKS ARE SOLD FOR COVER PRICE...no fancy discount gimmicks which are hard to keep track of and just confuse account statements.
2.) ONE SIMPLE MONTHLY MAILING.....at month's end. One complete package each month.
3.) A SIMPLE STATEMENT with each package. You know exactly what's there and what it cost.
4.) A SIMPLE FIXED SERVICE CHARGE PER. MONTH...$1.50.

NOW.....HERE IS THE BIG THING: 5.) THERE IS NO POSTAGE CHARGE!

RIGHT! We cover all postage costs. If you figure it out, this works out MUCH CHEAPER FOR THE CUSTOMER than those systems that give discounts and then charge postage on top of it. And again, it's easier for us to account for, and simpler for you to keep track of.

So we've got it over all those other plans. SIMPLE, EFFICIENT, and best of all, ECONOMICAL FOR YOU.

TO JOIN, FOLLOW THESE SIMPLE STEPS:

1.) List number of copies of each title which you regularly buy in the space next to it on the publications list below.
2.) Estimate your total monthly expense for the items plus the $1.50 service charge.
3.) Clip the publications list or make a copy. Enclose check or money order for at least your calculated expense. You may send extra to keep your account ahead. NO CREDIT WILL BE EXTENDED. This is simpler for you, and simpler for us. MAKE ALL CHEQUES OR MONEY ORDERS PAYABLE TO STYX COMIC SERVICE.
4.) Mail your completed order to:

STYX COMIC SERVICE
P.O. BOX 3791
WINNIPEG, MANITOBA
CANADA; R2W 3R6

YOU WILL RECEIVE CONFIRMATION OF YOUR ORDER PLUS A 1 or 2-PAGE MONTHLY NEWSLETTER, FREE EACH MONTH!!!

WE ALSO HAVE AN EXTENSIVE BACK ISSUE SUPPLY! LOOK AT THESE QUALITY ITEMS FOR LOW PRICES ON THE PAGE TO THE RIGHT!

TERMS: FULL PAYMENT MUST ACCOMPANY ORDER. FOR POSTAGE: ADD 50¢, PLUS 3¢ FOR EACH ITEM ORDERED. INSURANCE IS 50¢ EXTRA.
ALL ITEMS ARE IN FINE OR BETTER UNLESS OTHERWISE STATED.
SEND YOUR ORDER TO: STYX COMIC SERVICE; P.O. BOX 3791; WINNIPEG, MANITOBA, CANADA; R2W 3R6 (WSA #328)
